Subject: East Stour - Grid Connection

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi James,
We confirm that NGET entered into a grid connection agreement with Pivoted Power LLP on [13 Sept 2018 / 1 Feb 2023] in respect of both [battery energy storage] and [solar PV]. The agreed Solar export is for 49.9MWac. This connection agreement is the subject of a proposed extension to July 2028 for the reasons outlined in our letter of 21 January 2025.
Kind Regards,

Chris Wallis
Customer Relationship Manager
